

## CoganGuardrails

Install a Cogan heavy-duty guardrail system and create a protective shield between your workers and your equipment. It's the trouble-free solution to your peace of mind. Built from the best quality materials, our guardrails are strong, adaptable and—when properly installed—engineered to withstand a 10,000-lb impact at 4 mph.

Count on our guardrails to direct traffic in your warehouse and increase safety, efficiency and productivity. 24/7 protection where you need it, when you need it—all part of our lifetime structural warranty.
