

Cogan Rack Pal & Rack Post Protectors

Cogan's Rack-Pal is the smart choice when you need solid protection close to the ground. Easy-to-install and economical, its extremely durable, all-structural-steel construction is the perfect safeguard for your rack-aisle ends. The powder-coated, safety-yellow paint finish increases visibility and stands up to fork-lift traffic.

You benefit from a safer working environment that protects your people, products and profits, eliminating costly repairs.
